To whom it may concern,

We switched our office cleaning responsibilities to Affordable Quality Maintenance earlier this year after experiencing dissatisfaction with our previous cleaners. It was the best decision we ever made. We are completely satisfied with every aspect of the company. They see and clean things that we never thought needed cleaning! Their staff is prompt, thorough and respectful. The owner, Brian, is very responsive to our needs, and always offers us honest answers to our questions. I highly recommend Brian and his company for your office cleaning needs.

Sincerely,
